

## Introduction to Animation Class

### Students aged 6-9 years

Dear Students/Parents,

Beginning July 29, 2006, ASIFA-Colorado will be holding an introduction to animation class for children aged 6 through 9 years. The program will last for 4 consecutive Saturdays from 9:30AM to 11:30AM each Saturday. During these classes students will learn about the principles of animation using cut-outs. This class is for beginning animators, the advanced animator is welcome but will proceed on his/her own study. Students will be able to keep any animation tests and drawings they create.

The program will be held at the Rocky Mountain College of Art and Design in Lakewood, Colorado in the Animation Lab. Space is limited and we will be taking students on a first come first serve basis.

ASIFA Colorado was established in 2001 as a non-profit organization devoted to cultivating and promoting the art, craft and profession of animation. ASIFA-Colorado is a regional chapter of the international organization, Association Internationale du Film d'Animation (ASIFA).

If you have questions or would like to join up, feel free to contact us.

Sincerely,

Ed Desroches – Workshop Leader
